

THE ALL-NEW 2022

MAVERICK™

BUILT FORD TOUGH CAPABILITY MEETS SMALL TRUCK VERSATILITY

PACKAGING GUIDE

Preproduction vehicles shown throughout. Available Fall 2021.

ALL-NEW 2022 MAVERICK

THE FUNCTIONAL, FLEXIBLE, FUEL-EFFICIENT FORD TRUCK

The all-new 2022 Maverick™ pickup starts with the Built Ford Tough® foundation of capability and durability and then adds versatility and value to appeal to a whole new truck audience. Maverick is built for customers who need a vehicle to carry gear on the weekend then back-to-work on Monday. Plus, they'll appreciate excellent affordability, thanks to Maverick being the first standard full hybrid pickup in America with a targeted EPA-estimated rating of 40 mpg city.⁽¹⁾

Like its name, Maverick conveys the attitude of strength and freedom. And it starts at a price of \$19,995 MSRP.⁽²⁾ Combining the maneuverability of a small SUV, the functionality of a pickup and roomy seating for five, Maverick is built for on-the-go customers who didn't know they needed a truck.

MAVERICK HIGHLIGHTS

MODELS/CONFIGURATION

MODELS: XL, XLT and Lariat | CONFIGURATION: SuperCrew® with 4.5' pickup box only

PERFORMANCE AND CAPABILITY

- The first standard full hybrid pickup in America
 - 2.5L Atkinson-cycle I-4 engine paired with a 94kW electric motor and combined 191 horsepower
 - Electronically controlled Continuously Variable Transmission (eCVT)
 - Front-wheel drive (FWD) only
 - Targeted 500-mile range⁽³⁾
 - Targeted EPA-estimated fuel economy rating of 37 mpg combined⁽¹⁾
- 2.0L EcoBoost® I-4 gas engine available
 - 8-speed automatic transmission
 - 250 horsepower and 277 lb.-ft. of torque⁽⁴⁾
 - FWD or available all-wheel drive (AWD)

- Electric power-assisted steering (EPAS)
- Selectable Drive Modes: Normal, Eco, Sport, Slippery and Tow/Haul
 - FX4 Off-Road Package includes Mud/Ruts and Sand modes (replacing Eco and Sport)
- Maximum payload rating of 1,500 lbs.⁽⁵⁾
- Towing capability⁽⁶⁾
 - 2,000-lb. rating standard
 - 4,000-lb. max. trailer tow capacity with 2.0L EcoBoost engine and available 4K Tow Package

NOTE: Horsepower, torque, payload and towing are independent attributes and may not be achieved simultaneously.

EXTERIOR

- Pickup box
 - 4.5' of bed length with tailgate up/6' with tailgate down
 - 6 cargo bed tie-downs
 - 110-volt/400-watt AC power outlet available
 - FLEXBED™ system with available side storage bins and provisions for bed divider boards and two-tiered loading
 - LED cargo light available
 - Multi-position tailgate with bottle openers
 - Two 12-volt, 20-amp pre-wired sources for DIY electrical solutions
- LED headlamps standard, with LED signature lighting on Lariat
- Wiper-activated headlamps (XLT, Lariat)

(1) 2.5L Hybrid powertrain. Targeted EPA-estimated mpg ratings of 40 city/33 highway/37 combined. Actual mileage will vary.

(2) MSRP for base vehicle. Excludes destination/delivery fee plus government fees and taxes, any finance charges, any dealer processing charge, any electronic filing charge, and any emission testing charge. Optional equipment not included.

(3) 2.5L Hybrid powertrain. Targeted 40 city mpg/33 highway mpg/37 combined mpg. Actual mileage will vary. Range calculation based on 13.8-gallon tank and a targeted EPA-estimated 37 combined mpg. Actual range will vary.

(4) Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary.

(5) Maximum payload varies and is based on accessories and vehicle configuration. See label on doorjamb for carrying capacity of a specific vehicle.

(6) Maximum towing varies based on cargo, accessories or number of passengers.

(7) Qi wireless charging may not be compatible with all mobile phones.

BUILT FORD TOUGH DNA

The all-new 2022 Maverick is the latest member of the Ford truck family, joining the Ranger, F-150 and Super Duty pickups. We know how to test and torture trucks to prepare them for a tough day's work or an adventurous weekend pursuit. Like its stablemates, Maverick emphasizes Built Ford Tough quality, reliability and durability.

- Maverick architecture has endured the equivalent of about 19 million miles of durability testing in the real world, in labs and on proving grounds
- Like all Ford trucks, Maverick has undergone test cycles to meet demanding requirements for extreme weather, durability, off-road toughness, maximum payload limits and vehicle shake tests

INTERIOR

- 4.2" productivity screen in instrument cluster
- B&O® Sound System by Bang & Olufsen® with 8 speakers available on Lariat
- FITS (Ford Integrated Tether System) slots behind the console and in the under-seat storage bin allow owners to add accessories like a cupholder, double hooks or cord organizer
- Front-door storage bins designed to fit a small laptop
- Room for 5 adults
- Seating in a choice of cloth or available ActiveX™ Seating Material
 - Front bucket seats
 - Rear bench with flip-up rear-seat cushion and under-seat storage
- Stylish interior design and color combinations specific to each trim level
- Two front USB ports and dual rear USB ports (Lariat)
- Wireless charging pad⁽⁷⁾ available

TECHNOLOGY

FORD CO-PILOT360™ TECHNOLOGY

- Adaptive Cruise Control with Stop-and-Go and Lane Centering available
- Autolamp automatic on/off headlamps
- Auto High Beams
- BLIS® (Blind Spot Information System) with Cross-Traffic Alert available
- Evasive Steering Assist available
- Intersection Assist available
- Lane-Keeping System with Lane-Keeping Aid, Lane-Keeping Alert and Driver Alert System available
- Pre-Collision Assist with Automatic Emergency Braking (AEB), Pedestrian Detection and Forward Collision Warning with Dynamic Brake Support
- Post-Collision Braking
- Rear Parking Sensors available
- Rear View Camera

CONNECTIVITY TECHNOLOGY

- 8" center-stack touchscreen with Bluetooth® connectivity
 - Apple CarPlay® and Android Auto™ compatibility
- FordPass™ Connect with 4G LTE Wi-Fi hotspot
- SYNC® 3 available on Lariat with Luxury Package

iPhone and Apple CarPlay are trademarks of Apple, Inc. registered in the U.S. and other countries. Android Auto is a trademark of Google LLC. The Bluetooth word mark is a trademark of the Bluetooth SIG, Inc.

We'll go first. The 2022 Maverick will be the first and only standard full hybrid pickup in America. But don't let its size and efficiency fool you — Maverick is built to deliver productivity and capability too. With two powertrains to choose from, Maverick can be configured to fit the needs of first-time customers or longtime truck owners.

STANDARD HYBRID POWERTRAIN

NOTE: Actual mileage will vary. Final EPA-estimated ratings available later in the 2021 calendar year.

(1) 2.5L Hybrid powertrain. Targeted 40 city mpg/33 highway mpg/37 combined mpg. Actual mileage will vary. Range calculation based on 13.8-gallon tank and a targeted EPA-estimated 37 combined mpg. Actual range will vary.

(2) Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary.

The 2022 Maverick offers the Built Ford Tough® family trait of outstanding capability. What sets it apart is how Maverick balances versatility and affordability to fit the needs of customers who didn't know they needed a truck.

TRAILER TOWING

STANDARD: 2,000 lbs.⁽¹⁾

- Capacity to pull a small camper, small storage trailer, snowmobile or personal watercraft with a trailer

AVAILABLE: 4,000 lbs.⁽¹⁾ with 2.0L EcoBoost engine and 4K Tow Package

- Capable of trailering a small-medium boat, 20' camper or a side-by-side ATV

NOTE: Horsepower, torque, payload, towing and estimated fuel economy ratings are independent attributes and may not be achieved simultaneously.

PAYLOAD

Maximum payload rating of 1,500 lbs.⁽²⁾

- Offers plenty of capacity for customers' favorite sports and activities
- Carries materials for a do-it-yourself project
 - Enough capability to carry up to 37 bags of mulch or cement at 40 lbs. each
- Capable of carrying a small recreational ATV

FX4 OFF-ROAD PACKAGE

SELLING POINTS

THE ESSENCE: With all-wheel drive, a higher ride height, all-terrain tires, Hill Descent Control™ and skid plates to protect vital components, Maverick with the available FX4 Off-Road Package is ready to excite those seeking adventure where others may dare not go.

EQUIPPED: The 6.5" productivity screen in the instrument cluster includes an Off-Road function, while the front tow hooks and trailer hitch receiver help FX4 owners get serious about their fun.

STYLE: The 17" black-painted aluminum wheels — included only with FX4 and First Edition Packages — and the "FX4 Off-Road" box decals identify this truck as a model of distinction.

(1) Maximum towing varies based on cargo, accessories or number of passengers.
(2) Maximum payload varies and is based on accessories and vehicle configuration. See label on doorjamb for carrying capacity of a specific vehicle.

For many customers, Maverick may be their first new vehicle — or they haven't considered a pickup before now. It's especially important to show these customers how form follows function in the Maverick pickup — and they can create their own DIY space in the FLEXBED™ cargo box.

Here are some examples of key Maverick exterior design features:

- Horizontal front-end design stretches from edge to edge to emphasize width and confident stance
- Shape of contour line along the front doors pays tribute to signature drop-down side windows on F-Series
- Accessible pickup box design to allow most adults to reach over the box sides and reach items in bed
- Box-top moldings that extend into the rear of the cab and rocker moldings signal toughness and durability
- Truck functionality with easy-to-park maneuverability
- Highly customizable truck that accommodates Ford Accessories

FLEXBED™ FEATURES

Productivity abounds with the all-new Maverick, featuring creative pickup box solutions that help manage a home-improvement project or a weekend getaway to the outdoors. Here's a sampling of the unexpected benefits of this pickup box:

- 4.5' of bed length with tailgate up/6' with tailgate down
- 6 standard cargo bed tie-downs and 4 available tie-downs
- 12-volt/20-amp outlets (2) in the back of the bed
 - Built-in pre-wiring for 12-volt accessories is also included
- 110-volt/400-watt AC power outlet included in the XLT Luxury and Lariat Luxury Packages
- Bed extender available
- Bed-side cubby storage in XLT and Lariat models
- Drop-in and spray-in bedliners available
- LED cargo lamp integrated with center high-mounted stop light (CHMSL)
 - LED box lighting available
- Multi-position tailgate allows for up to 18 sheets of 3/4" plywood to rest on the wheel arches inside of bed and on the top of the tailgate
- Protective moldings on top edges of box sides and tailgate
- Side tool box swing cases available
- Strategically placed slots for 2x4 or 2x6 boards allow customers to create bed sections or a raised loading shelf
- Tie-downs on tailgate also function as bottle openers

QR CODES UNLOCK NEW IDEAS

Customers should be encouraged to make new discoveries in their Maverick. And they can start right inside the truck with scannable QR codes included in every model.

QR code decals can be found in the pickup bed on the cubby cover and opposite panel, and inside the cab on the under-seat storage trim. Customers just aim their smartphone's camera at the code and click on the [Ford.com](https://www.ford.com) link to view insights on FLEXBED™ capabilities and FITS accessories, plus DIY tips on using the resources in Maverick.

These aren't ordinary QR codes with cryptic patterns either. The optical code contains outlines of essential weekend gear, such as skis, oars, a wrench and a ruler.

Data rates may apply.

With four full-size doors and room for five, the all-new 2022 Maverick is not your father's small pickup. The SuperCrew® cab may defy expectations with its versatility and style – and motivate customers who may be trading in a sedan or compact SUV to buy their first truck.

MAVERICK INTERIOR HIGHLIGHTS

ActiveX™ Seating Material (Lariat) with 8-way power-adjustable driver's seat

Door pockets designed to hold small laptop or tablet with water bottle slot in each door

BANG & OLUFSEN© 2021 and B&O© 2021. BANG & OLUFSEN™ and B&O™ are registered trademarks of Bang & Olufsen Group. Licensed by Harman Becker Automotive Systems Manufacturing Kft. All rights reserved.

FITS (Ford Integrated Tether System)

- Slots located on the back of the floor console and under-seat storage area
- Allow accessories to be fitted in the slots, such as a cupholder on the back of the floor console (shown above right) or storage bin dividers

Flip-up rear seat cushion allows customers to keep personal belongings hidden from sight

Smart storage solutions include large storage bins under the rear seat

Two USB ports for rear-seat passengers available (Lariat)

Available 110-volt/400-watt AC power outlets in cab (behind console) and pickup bed

Available B&O® Sound System by Bang & Olufsen® with 8 speakers

Leather-wrapped steering wheel (Lariat) with available heated steering wheel and heated seats

INTERIOR SPACE

Maverick offers more rear-seat space than some midsize pickup trucks.

	Maverick	Chevy Colorado	Toyota Tacoma
Effective second-row head room (in.)	39.6	37.9	37.4
Effective second-row leg room (FWD/AWD; in.)	35.9/36.9	34.9	32.2

Maverick keeps active customers connected with standard 8-inch center-stack touchscreen with Bluetooth® connectivity, Apple CarPlay® and Android Auto™ compatibility and FordPass™ Connect.⁽¹⁾ Available SYNC® 3⁽²⁾ takes connectivity up a notch.

CONNECTED TECH

FORDPASS CONNECT

Standard on all models.

- Embedded 4G LTE Wi-Fi hotspot can be used to connect up to 10 mobile devices
- Owners can schedule times to start the truck remotely
- FordPass App also allows owners to find their truck, check fuel level and lock/unlock their doors⁽³⁾

8" CENTER-STACK TOUCHSCREEN

Standard on all models.

- Includes Bluetooth connectivity, plus Apple CarPlay and Android Auto compatibility

SYNC 3

Included in Lariat Luxury Package, and adds the following:

- 911 Assist⁽⁴⁾
- AppLink®
- Hands-free calling
- Two smart-charging USB ports

iPhone, Apple CarPlay and Siri are trademarks of Apple Inc., registered in the U.S. and other countries. Android Auto is a trademark of Google LLC. The Bluetooth word mark is a trademark of the Bluetooth SIG, Inc.

FORD CO-PILOT360™ TECH

STANDARD

- Auto High Beams
- Autolamp automatic on/off headlamps
- Hill start assist
- Pre-Collision Assist with Automatic Emergency Braking (AEB), Pedestrian Detection and Forward Collision Warning with Dynamic Brake Support
- Post-Collision Braking

AVAILABLE

- Adaptive Cruise Control with Stop-and-Go and Lane Centering
- BLIS® (Blind Spot Information System) with Cross-Traffic Alert
- Evasive Steering Assist
- Intersection Assist
- Lane-Keeping System (Lane-Keeping Aid, Lane-Keeping Alert and Driver Alert System)
- Rear Parking Sensors

- (1) FordPass Connect, the FordPass App and now Complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected Service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected Service excludes Wi-Fi hotspot.
- (2) Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.
- (3) FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.
- (4) The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Aftermarket onboard diagnostic devices may interfere with various vehicle systems, including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility.

When Ford designers and engineers imagined everything a Maverick could be, they came up with the ultimate answer: the First Edition Package. Maverick First Edition is stylish, versatile, amply equipped and ready for action.

FIRST EDITION

SELLING POINTS

THE ESSENCE: First Edition starts with the Lariat Luxury Package. Then it provides distinctive wheel designs — 18" black-painted wheels with the hybrid powertrain or 17" black-painted aluminum wheels and aggressive all-terrain tires with the 2.0L EcoBoost® I-4 model. First Edition models with the 2.0L are AWD.

STYLE: The black-painted roof, black exterior mirror caps and First Edition decals set this model apart from the pack. First Edition is available in three exterior colors: Area 51, Carbonized Gray Metallic and extra-cost Rapid Red Metallic Tinted Clearcoat.⁽¹⁾

EQUIPPED: There's a power tilt-or-slide moonroof to let more light shine in; in the pickup bed, this package provides a spray-in bedliner, LED box lighting and soft tonneau cover on the bed to help protect the contents.

LIMITED: Maverick First Edition will only be available for the 2022 model year.

⁽¹⁾ Late availability.

2022 MAVERICK MODEL LINEUP
