

1	High voltage traction battery cooler
2	Heater hose assembly
3	High to low voltage converter outlet hose
4	High to low voltage converter
5	Transmission inverter control module
6	Degas bottle hose
7	Battery cooler hose assembly
8	High voltage battery radiator outlet hose
9	High to low voltage converter inlet hose
10	Electric motor electronics radiator outlet hose
11	High voltage battery radiator
12	High voltage battery radiator inlet hose
13	Electric motor electronics radiator
14	Electric motor electronics radiator inlet hose
15	Electric motor electronic coolant pump inlet hose
16	Electric motor electronics coolant pump
17	Degas bottle
18	High voltage battery cooler hose assembly
19	High voltage battery cooler (if equipped)
20	High voltage battery coolant diverter valve (if equipped)
21	High voltage battery coolant pump
22	High voltage battery coolant diverter valve outlet hose (if equipped)
23	High voltage cooler hose assembly
