A. TRUCK BED LIGHTING BY LUMEN®

Light up your bed with this set of two LED Bed Lamps. Simply touch the lens of one of the lamps for two seconds and they both light up. Perfect for vehicles equipped with a tonneau/bed cover.

- No external switches required
- Kit includes two LED capacitive-touch lamps and wiring harness
- Hardwired to your vehicle's electrical system, no batteries required
- LED lamps provide high intensity light with low-current draw
- To turn off lamps - touch any lens, or the automatic timer shuts them off after one hour
- For vehicles with or without bedliners
- Dealer installation recommended

C. EAZY DOWN TAILGATE ASSIST BY DEE ZEE®

This is just the trick for lowering your tailgate in a safe, controlled manner and then having it come to a soft landing at full open – each and every time.

- Includes corrosion-resistant mounting hardware
- Dealer installation recommended

B. BED EXTENDER BY LUND®

U-shape design is the perfect mix of form and function that helps keep your gear secure.

- Flip it out with the tailgate open to gain up to 2-feet of enclosed cargo area
- Flip it inside and close the tailgate to keep items from sliding around in the truck bed
- Rugged aluminum construction adds corrosion resistance as well as a lightweight product for easy handling
- Black powder coated finish for optimal scratch resistance
- Corrosion resistant hardware included

D. TAILGATE LOCK BY MCGARD™

Tailgate Lock is an affordable and efficient way to deter the theft of your truck's tailgate. Simple to install, the locking jaws attach around one of the tailgate's mounting posts on the truck.

- The tailgate lock does not affect normal tailgate operation
- Two keys are included as well as Velcro pads which can be used as shims to prevent the lock from rattling
- Lock the unit and walk away enjoying the peace of mind that comes from knowing your tailgate is secure

A. PIVOT STORAGE BOX BY UNDERCOVER™

Swings out nearly 180 degrees with 1.5 cu. ft. of lockable storage.

- Fits between the wheel well and back of bed
- Constructed of high-impact ABS plastic
- Includes handy cup holders molded into lid
- Kits available for driver or passenger side

C. VERTICAL BED NET

Hold a wide assortment of gear securely in place with this flexible envelope-style netting.

- The netting hooks in multiple spots for added cargo versatility
- Easy do-it-yourself installation

B. HORIZONTAL BED NET

Here's a simple, space-saving – not to mention effective – way to help ensure lightweight goods you place in the bed of your Built Ford Tough® pickup stay put.

- The net is designed to help prevent things from shifting and contents from spilling
- Just stretch the reinforced web-style mesh over the cargo and then cinch in place for a secure, form-fitting hold
- A durable clip at each corner of this all-weather net makes for a quick, straightforward setup in the bed
- Easy do-it-yourself installation

D. CARGO MANAGEMENT SYSTEM

An innovative way to store heavy and/or bulky cargo. It utilizes channeling rails that allow you to move a set of cargo cleats, which slide back and forth and allow you to tie down cargo.

- 200lb max load per cleat
- Easy to move locking cleats that slide along the rail
- Quick 3-fastener installation per rail
- Can be used on both Drop-in and Spray-in bedliners
- Compact, lightweight, robust attachment
- Additional components such as a Bed Divider and Cross Bars will also be available post launch

F

E. BED/TONNEAU COVER – SOFT FOLDING BY ADVANTAGE

Trifold design with top-of-rail mount for maximum cargo height space.

- Heavy-duty vinyl covering on a sturdy aluminum frame fits across-the-bed rails

F. BED/TONNEAU COVER – HARD FOLDING BY REV®

The sleek, “no profile” design makes this a favorite. This folding bed/tonneau cover mounts flush with the side of the truck bed.

- Hidden, quick-release latch system automatically locks panels when shut, simply lock the tailgate to secure the bed

G

G. BED/TONNEAU COVER – HARD ROLL-UP BY REV®

Flush-mount design has aluminum channels underneath for a sleek “no-profile” look.

- Locking rail design secures the cover the full length of the bed when closed

H. BED/TONNEAU COVER – SOFT ROLL-UP BY TRUXEDO®

Soft Roll Up cover features a top-mount design and sits 1.5" above the truck bed providing distinctive good looks.

- Fabric is designed to help protect your cargo from the elements
- Preset tension control is conveniently integrated into the dual latching system, keeping the cover tight
- Straight cross tubes provide a smooth, flat look when the cover is closed

H

Large side doors for easy access

Clamp installation, no drilling required

Tinted, twist-out side windows

A. BED CAP – SNUGPRO COMMERCIAL BY SNUGTOP®

This SnugTop SnugPro Commercial Cap is fiberglass construction that is durable and provides dry lockable storage for tools, equipment or supplies.

- Fiberglass side doors provide easy side access into the vehicle truck bed and feature Stainless Steel Drop T-Handles with three position locking for added security
- The aluminum framed rear door with fiberglass insert provides additional contents privacy and is complemented with a Stainless Steel Drop-T-Handle
- The rear CHMSL is recessed into the Maverick Commercial Cap rear spoiler

B. BED CAP – SPORT RECREATIONAL BY SNUGTOP®

The Ford Maverick Sport Recreational Truck Cap has the styling and features to make loading, transporting and accessing your equipment for work or play super easy.

- Advanced mid-rise truck cap design
- Tinted twist out side windows with removable screens provide maximum visibility and ventilation
- Compound curve all glass rear door with rotary latch closure and security
- LED interior tube light
- Built-in LED third brake light
- Available in colors to match or complement your vehicle paint

C. SPORTLINER WITH TAILGATE COVER BY BEDRUG®

Engineered to stay tough throughout the life of your truck. Made of 100% polypropylene, the sturdy construction makes the liner puncture resistant and durable enough to handle even the heaviest of cargo.

- Tough puncture resistant surface
- Rugged construction handles heavy cargo
- Comfortable 3/4" thick cushioned surface
- Helps prevent cargo from shifting
- Stain & UV resistant
- Easily cleaned with just water

F. MODULAR BEDLINER KIT

Constructed of rugged HDPE (High Density Polyethylene) material.

- Chemical, mar, scratch and fade resistant
- Fully modular (customer can add/remove pieces unlike the traditional 1-piece design)
- Follows the sheet metal very closely (more so than traditional 1-piece designs) which helps maximize usable volume
- Excellent impact protection
- Compatible with most bed accessories offered by Ford like cargo rails, storage boxes, bed extenders, bed/tonneau covers, eDIY switch, swing case, etc.

D. IMPACT BED MAT BY BEDRUG®

Helps protect your bed from dings and dents.

- Anti-skid TPO composite surface
- 3/4-inch thick flooring helps provide impact protection
- Padded under layer offers a cushion for the knees
- Chemical, stain and water resistant
- Installs in minutes, no drilling required

G. BED TRAY LINER KIT

A simple, no-nonsense way of providing excellent impact resistance to – and added protection for – your truck bed.

- Skid-minimizing surface helps reduce cargo movement and is chemical- and stain-resistant
- Raised edge is designed to contain spills
- Durable ribbed floor provides airflow between the bed and tray to reduce moisture build-up
- Molded in black
- Easy, no-drill, drop-in installation

E. BED MAT

Help protect your truck bed against dents and dings with this durable, heavy-duty bed mat.

- The mat is made of reinforced synthetic rubber that resists cracking or breaking
- Bed mat is custom-designed to securely fit your truck bed

H. TAILGATE LINER KIT

Give your hard-working tailgate the protection it deserves.

- The Ford Tailgate Liner is constructed of heavy-duty, skid-resistant material for years of hard use
- The ribbed surface permits easier drainage and cleaning
- Easily installs without drilling
- Molded in black

A. HD RACK-MOUNTED TENT BY YAKIMA®

This four-season-rated, 2-person Heavy-Duty Tent provides the ultimate mobile base camp for any season. Features a waterproof PU coating and a weather-shedding water-resistant rainfly.

- Doors, windows and skylights have solid and mesh panels that zip open for ventilation
- Thick, 2.5" wall-to-wall foam mattress includes a removable cover for easy cleaning
- Integrated locks included for added security
- Requires Bed Rack and Crossbars

B. RACK-MOUNTED TENT BY YAKIMA®

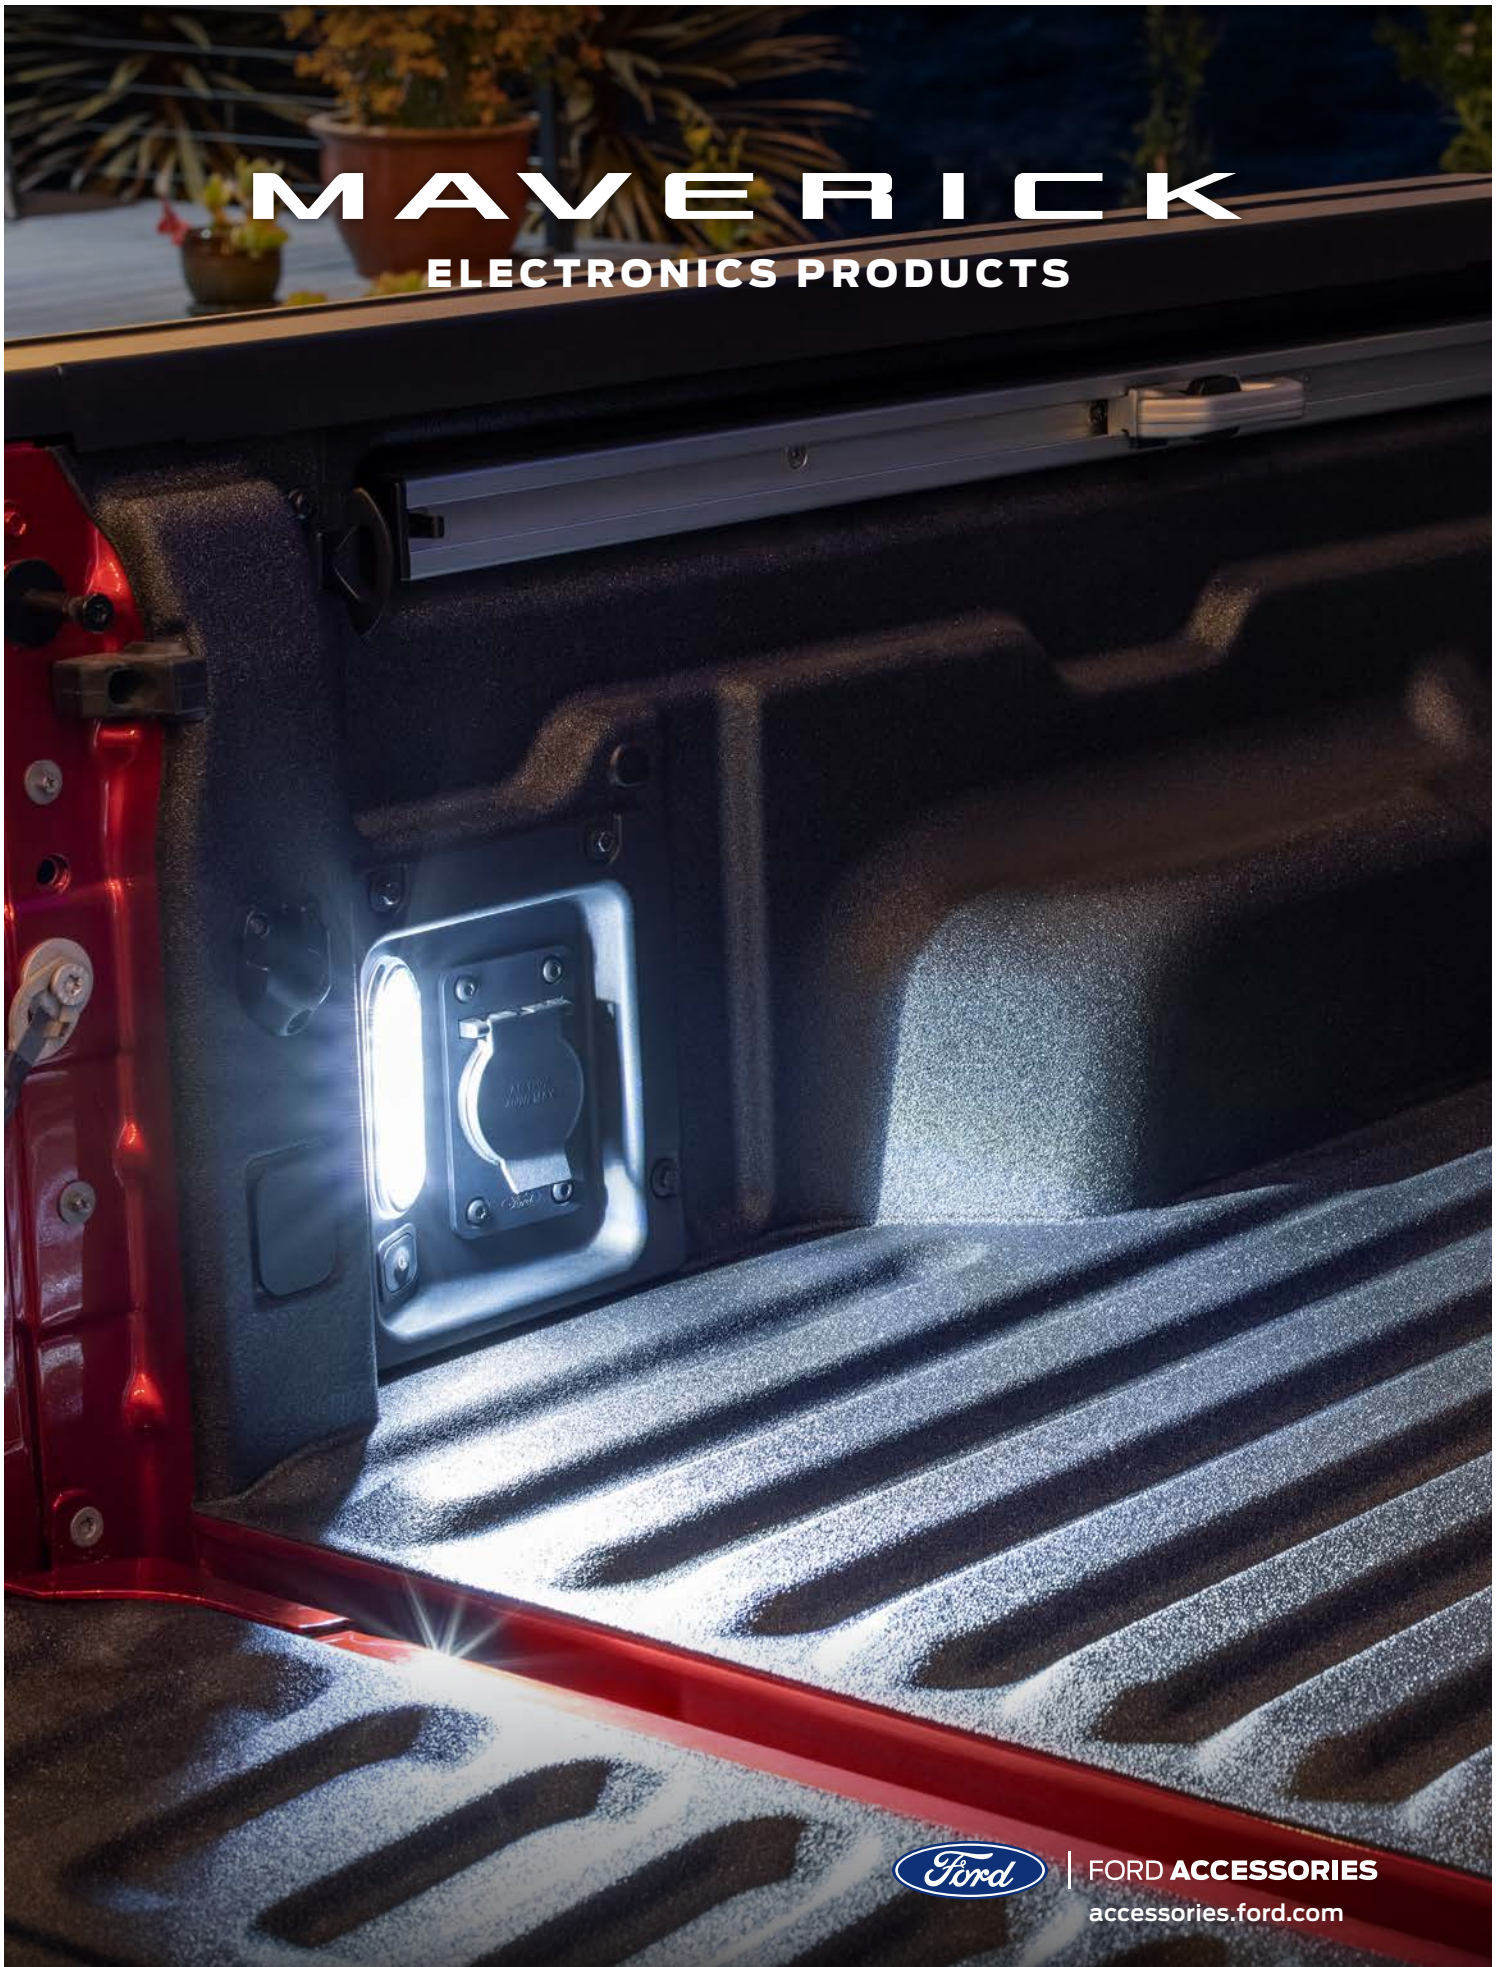

Our Tent is constructed of light and breathable 210D nylon with mesh panels for ventilation. The weather-shedding rainfly has a water-resistant coating and for warm, clear evenings, leave it off for faster set-up and a wide-open view.

- Easy to pitch design means less work and more play
- Thick, 2.5" wall-to-wall foam mattress includes a removable cover for easy cleaning
- Made from the same lightweight and breathable materials as backcountry tents – 210D nylon
- All windows and skylight have solid and mesh panels that zip open for ventilation

Cargo and load capacity limited by weight and weight distribution.

A. EYE BOLTS

These Eye Bolts integrate seamlessly with most T-slot crossbars, to create instant tie-down points for securing gear. They're secure, strong and easy to install — just drop them into the slot and twist into place.

- Rugged steel construction with durable black corrosion resistant finish for many years of use
- Includes hardware for both HD Crossbar and standard T-slot crossbars
- Set of two

D. RECOVERY TRACK MOUNTS

A smart, quick, secure way to keep Recovery Tracks (sold separately) on hand and within reach.

- Holds a pair of our Recovery Tracks from Ford Performance

B. HD HOOK STRAPS

Heavy-Duty Hook Straps deliver maximum strength with a proven hook attachment to easily hold larger cargo in place. These straps are quick and easy to adjust — load and go!

- Proven Heavy-Duty Straps with durable, vinyl-coated hooks
- Easily attach to our Eye Bolts, or other tie-down points, for a secure hold
- 10-ft. length handles a wide range of gear and supplies
- Set of two

E. SKS LOCK KIT

These 4 Same Key System (SKS) lock cores enable you to lock your Yakima products with just one key.

- Fits all lockable Yakima Rack & Carrier accessories
- Includes 4 SKS cores and matching keys
- 4 keys included plus a control key
- Core numbers included in prepackaged locks cannot be specified

C. LOAD STOPS

Built with the strength to keep heavy loads in place, our steel, T-slot Load Stops integrate with T-slot crossbars. Load Stops quickly install into T-slots and adjust with the turn of a knob.

- Simple, tool-free adjustment is done with the turn of a knob
- Built in tie-down points make it easy to secure gear
- Set of four

F. ROTOPAX MOUNTING KIT

Adapts the Rotopax™ mounting system for Yakima Crossbars or Telescoping Side Bars.

- Now you can attach up to 40 lbs. of Rotopax™ water and fuel packs (sold separately) to your Yakima Rack system
