

2024MY Maverick Order Conversion Process for Unscheduled 2023MY Retail Orders

1. Reach out to your retail customers who have 2023MY unscheduled, COVP verified, retail orders to discuss placing a 2024MY order
2. Review the 2024MY order guide changes and determine if your customer would like to place a 2024MY order. Customers can change any aspects of their order.
3. Place the 2024MY order using the **SAME ORDER NUMBER & CUSTOMER NAME** as the original 2023MY order.
4. Ensure the carryover customer orders are **in the order on July 17th**
5. Ensure you are COVP approving 2024MY orders

We will be offering 2023MY Maverick Transition Private Offers and will have more details to share in the near future.
