- Atlas Blue Metallic
- Navy Pier Unique Cloth Bucket Front-Seats
- 17" Carbonized Gray painted Aluminum Wheels
- XLT Package
- 4K Tow Package

\*Does not show all optional and included packages/features.

Your vehicle order is one of the early orders for 2023 Maverick XLT, and because we are building this vehicle just for you, we wanted to share a bit more on our production process as it may impact your delivery time. As part of the quality assurance process at Ford Motor Company, customer orders are only built when all quality checks have been met. This process may lead to a longer wait time for your vehicle to be built, but is designed to help ensure your satisfaction.

Also, please note that high demand combined with global supply-chain constraints may impact vehicle model year, trim and feature availability. Please know we're working hard to deliver your chosen vehicle and features as quickly as we can.

Throughout the production process, we will keep you updated on the status of your order. You will receive email notifications when your vehicle is:

- Scheduled for Production – all necessary parts are secured, and your order has been placed in the production schedule.
- Built – your vehicle has been built, and we will let you know of the estimated arrival date at your dealership.
- Shipped – when your vehicle has been shipped and is on its way to your dealership, we'll include the latest estimated arrival date. Please check with your dealer for final delivery timing.

## FORD AUTHORIZED ACCESSORIES

There are a number of Ford Authorized Accessories available to personalize your new Ford Maverick. Talk to your dealer today to find out more.

# THANK YOU AGAIN FOR YOUR ORDER

We appreciate your business and look forward to producing your  
Maverick XLT.
